## A-ODW7/7X Housing Series

---

### Solution for Upward Surveillance

Note 1: Housing Model A-ODW7X series is advantageous to upward surveillance owing to smaller diameter of lower housing.  
(As compared to Housing Model A-ODW7 Series.)

Note 2: After operation, direct camera lens downward to protect image sensor of camera from sunlight.

Note 3 Do not see Sun directly to avoid damage of eyes.

\* We are free from any responsibility for an accident or the damage of camera unit or person's eyes due to misuse of our housing unit.
